Dear Mr. Adamo,

On behalf of the Association of California Water Agencies (ACWA), thank you for speaking with our members during issue group meetings for ACWA's 2006 Washington Conference.

We greatly appreciated your time to discuss pending Senate Endangered Species Act reform legislation. As you know, the ability of locally-elected officials to deliver their message in Washington depends on professionals like yourself. The time you set aside this month helps to make that happen.

ACWA looks forward to working with you on these and other issues to come before the Congress this year.

If we can be of assistance to you, please do not hesitate to call our office at 202.434.4760. Again, thank you for being a part of ACWA's 2006 Washington Conference.

Sincerely,

David L. Reynolds
Director of Federal Relations
